KRISHNARAJASAGARA DIVISION.

Notification.

Sealed tenders will be received by the Executive Engineer, Krishnarajasagara Division, Krishnarajasagara up to 4 P.M. on 9th November 1953, for constructing a wing of three rooms to the Hydraulic Research Station, Krishnarajasagara.

The detailed estimate, plan and specification may be seen at the office of the Executive Engineer on all working days during working hours.

Name of work	Amount of estimate	Earnest money	Period for completion of work	Monthly progress
	Rs.	Rs.		Rs.
Construction of a wing of three rooms to the Hydraulic Research Station, Krishnarajasagara.	19,500	975	6 months	3,250

1 Each tender shall be accompanied by a challan for Rs. 975 as earnest money paid at any Government Treasury, Mysore, under "S" Remittances—Payments by P.W.D. Officers (Krishnarajasagara Division). No adjustment can be made from the pending bills or the deposits of other works towards the tender deposit of this work.

2 Tenders will not be accepted unless they are in the prescribed form which will be supplied on payment of Re. 0-4-0 each at the office of the Executive Engineer, Krishnarajasagara.

3 Only on acceptance of one of the tenders, the earnest money of the rejected tenders will be returned.

4 The tender need only mention the rates for each item of work of the abstract estimate both in words and in figures at which he is willing to undertake the work.

5 The sealed tenders received for the above work will be opened in the presence of such of those tenderers who will be present at that time.

6 The final acceptance of the tender will rest with the Government who are not bound to accept the lowest or any tender or to furnish any reason therefor.

7 The successful contractor should bind himself to abide by the departmental rules in force and execute the necessary mutchalika within a week of the receipt of intimation of the acceptance of his tender, failing which, his earnest money will be forfeited.

8 The rates quoted shall hold good if the tender is accepted within six months from the date of tender and shall be binding for the execution of the entire work.

9 The rates quoted shall include all taxes, royalties and tolls payable from time to time.

10 Items not provided for in the estimate will be paid for as per minimum schedule of rates or as per actual data worked out, with 10 per cent Contractor's profit if not provided for in the schedule of rates.

11 If the work is not completed and handed over within the specified time, any action suitable will be taken on the defaulting contractor in addition to levy of a fine of Rs. 50 per day after the specified date.

12 The contractor has to make his own arrangements for the transportation of materials and supply of water for construction.

13 All matters of disputes about rates, measurements, quality of work, etc., and in all other disputes of any kind, the decision of the Executive Engineer, Krishnarajasagara Division, Krishnarajasagara will be final.

14 The submission of a tender by a contractor implies that he has read this notice and the conditions of the contract and has made himself aware of the scope and specifications of the work.

15 The quantities noted in the abstract are approximate and are subject to variation during execution. The tendered rates will hold good for any quantity whether higher or lower than those given in the estimate. The rates quoted should hold good till the work is completed.

16 The income-tax clearance certificate is to be enclosed along with the tender or furnished before the execution of the agreement at the latest, failing which, the tender or contract will be cancelled and tender deposit forfeited to Government.

17 Tendered contractors should pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this work failing which, this amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

18 There should be no erasures in the tenders in the rates of items and any corrections made in the rates should be attested to.

19 No conditional clause will be accepted.

20 No claim of damages for delays caused by officers of Department in the execution of works will be considered whatever may be the reasons for such delays.

21 The term "Specification" mentioned either in the schedule or in the estimate in the notified items would mean "Specific" items of work to be done according to the instructions of the Public Works Department with reference to design, calculations, etc., furnished during execution and no higher rates than the tendered ones will be paid on any account.

H. PUTTASWAMY,
4791 *Ex. Engr.*

MANDYA DIVISION.

Notification dated 26th September 1953.

Sealed tenders will be received in the Office of the Executive Engineer, Mandya Division, Mandya, up to 4 P.M. on 26th October 1953, for the following work :—

Subject	Estimate	Earnest money
	Rs.	Rs.
Improvements to Water Supply, Mandya Town. Constructing an R.C.C. Tank 200,000 gls. capacity on 50' Staging.	77,000	3,750

Each tender must be accompanied with a duplicate chellan for having deposited the earnest money noted above into the Treasury to the credit of Revenue Deposits by Public Works Department in default of which the tenders will be rejected. Tenders must be submitted in the prescribed form obtainable in this office on payment of annas four per copy.

The quantities noted in the abstract are approximate subject to variation during execution and the detailed estimate, plan and detailed tender form can be seen in the office during working hours.

The tenderer should quote specific rates for each item of work both in words and figures. The rates quoted should hold good till the work is completed. It should be inclusive of all taxes such as the Sales-tax, etc., payable as per rules or other taxes that are leviable from time to time.

In case of any accident to the labour employed the accepted tenderer should pay compensation to the injured as per rules, failing which, the amount will be deducted out of his claims and paid to the injured.

For items of works not provided for in the estimate at the time of tender, minimum current schedule of rates will be paid for such items. For other items rates as per data got up based on the minimum current schedule will be allowed.

The work should be taken up within a week from the date of acceptance of tender duly executing the agreement and should be completed within one year with uniform progress every month. In case the work is not completed in time, penal clause of the agreement for the short progress will be enforced.

Final acceptance of the tender rests with the Superintending Engineer who will not bind himself to accept the lowest or to furnish any reasons thereto.

The income-tax clearance certificate is to be enclosed along with the tender and tenders received without the certificate are liable to be rejected.
